**FHS ALUMNI ASSOCIATION SCHOLARSHIP FUND
Purpose and History**

GRATITUDE

In 1993, the Fredericktown High School Alumni Scholarship Fund was created with the goal of assisting FHS graduates reach their dreams by attending a post-secondary institution.

Over time, the phrase “Freddies Helping Freddies” was coined to describe this effort.

Annually, scholarships are awarded to deserving graduates. As new gifts are received, the size and number of scholarships increases; giving more opportunities for Freddies to further their education. Due to the generosity of the Alumni, this endowment will last forever.

“We may not be able to prepare the future for our children, but we can at least prepare our children for the future.”

Franklin D. Roosevelt

“A quality education is the closest thing to magic.”

Tim Scott

Named Scholarships

The **Ula Weller '35 Leedy Scholarship** was first awarded in 2016, sponsored by Bonita Leedy '60 Birkel to honor a successful businesswoman and a great mother who loved education.

“May all of the outstanding qualities of Ula be an inspiration to the future recipients of the Ula Weller Leedy Scholarship.”

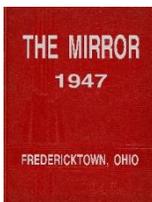

The **Richard K. Wilson '65 Scholarship** was first awarded in 2017, sponsored by Bill Wilson '62 to honor his brother who overcame chronic kidney disease and dyslexia to become a touted HS athlete, a miracle father and a successful engineering professional. “This scholarship is to assist many other FHS graduates overcome great obstacles and develop the skills to live a life as rewarding as Rick Wilson’s.”

The **Dr. William L. & Marietta B. Mahaffey Scholarship** was first awarded in 2017, sponsored by the Mahaffey children: Marilyn '50, Martha '52, and Bill '54 to honor the support of their parents who were the beloved local MD and Nurse team in the 40's and 50's. “It takes time and experience to realize and reflect on how really special our Fredericktown years were. This small scholarship, hopefully, will allow another age of “Freddies” to continue their journey with education based on the values of a Fredericktown foundation.”

The **Class of 1961 Scholarship** was first awarded in 2017; sponsored by the class members on the occasion of their 55th Class Reunion. “We hit the trifecta- “Born in the USA; grew up in Fredericktown and had each other as classmates! We hope that this small scholarship will inspire and help many other Freddies as they develop their skills and pursue their dreams.”

The **Class of 1947 Scholarship** was first awarded in 2017; sponsored by the class members on the occasion of their 70th Class Reunion. “This Scholarship is in recognition of the great support and education we received from the community and the school system, especially the teachers. Fredericktown was a great place to grow up. We were instilled with solid values and provided the opportunity to learn the skills we needed. With much appreciation, we are grateful to be able to pay it forward.”

The **Otho S. '37 & Iris Jeanne (Moree) '38 Eyster Scholarship** was first awarded in 2018; sponsored by their sons, Otho ('61) and Chase ('79) to honor the lives of their parents. Their five children all became FHS grads. “This Scholarship recognizes our parents’ commitment to higher education and lifelong learning; the Eyster children were the first generation of the family to benefit from higher education. We want to help other Fredericktown students have the same opportunity.”

PHILLIPS-FRYE

The **Phillips-Frye Scholarship** was first awarded in 2019; sponsored by their children, Gary ('60) and Sharon Phillips ('62) Frye, to honor the lives of John R. and Angelene C. Phillips and Fred C. and Ruth L. Frye.

“This Scholarship gives special recognition to the teaching career of Angelene Phillips, still remembered as a favorite teacher by many of her students, 4-H members, and their parents; and to Fred Frye who was a positive, long-time, driving community force working through the Lions Club, Salvation Army, First Baptist Church and the Fredericktown School Board. We want to keep the name of our loved ones alive in the community, while ensuring that funds will be available in the future for FHS graduates.”

The **“Gold Star Parents” Scholarship** was first awarded in 2018; sponsored by Dan '61 and Susan Snyder to honor the venerated status that no one wants: Gold Star Parent. “This scholarship gives special recognition to all Gold Star Parents whose grief and sacrifice for the country never stops. There is a long list of Freddies who made the ultimate sacrifice for their country; each a tragic story of heroism and sacrifice for love of country- a sacrifice made by the Patriot and their Parents - John 15:13.”

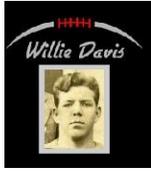

The **Class of 1958 Scholarship** was first awarded in 2018; sponsored by the class members on the occasion of their 60th Class Reunion. “This Scholarship is in recognition of the blessings we all received by growing up in the Fredericktown community and school district. These blessings came from our teachers; our coaches; our special activity leaders; our church and community leaders; and our parents among others. It is too late to pay them all back for their love and support. We hope by paying it forward our gifts will be a help and an inspiration to future generations of Freddies.”

The **Class of 1959 Honoring Julie Cochran Rogers Scholarship** was first awarded in 2020; sponsored by the Class members on the occasion of their 60th Class Reunion. “This Scholarship honors Julie who became a polio paraplegic at age 15. She did not let her disability keep her from her dreams. Before curb cuts, elevators and self-powered wheelchairs, Julie found a way to break through all barriers, thrive as a student at FHS and OSU, and excel in her career as a Speech Pathologist. Along the way, Julie became a vigorous crusader for people with disabilities and a major driver in the passage of the historic Americans with Disabilities Act in 1990. This scholarship also honors Julie’s Freddie schoolmates who pushed her to school each day; carried her in her wheelchair up and down the stairs; carried her books and gave her constant friendship and encouragement.”

The **Carmon & Betty Weller & Family Scholarship** was first awarded in 2020; sponsored by Carmon '52 & Betty Lozier '54 Weller and their children: Tracie '75, Jeff '78, Judd '80. “The Weller Family endowed this scholarship because Education is the most important thing we can give our students to prepare them for life. The fact that we had five teachers in our branch of the Weller Family – Blanche McCulley, Esther McCulley Weller, Carmon Weller, Betty Lozier Weller and Tracie Weller demonstrates our belief in the importance of education. We hope that our scholarship can help many Fredericktown students achieve their life-time goals.”

The **George Wilson Davis Scholarship** was first awarded in 2002 “to provide the Head Football Coach with a teaching tool for the values that are important in football and in life: work ethic, positive attitude, team focus and heart.” The award, which is presented to an additional new recipient each year, honors the memory of Willie Davis, a Freddie Footballer in the 1929 and 1930 seasons, his Freshman and Sophomore years. Willie, as the oldest of six children, had to drop out of school to help put food on the table during the depression. Willie, known in the news as the “Freshman Phenom” attracted fans and college scouts from distant counties to watch him play Fullback and Middle Linebacker. Willie is a Charter Member of the FHS Athletic Football Hall of Fame.

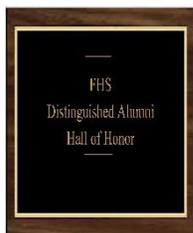

The **Dean & Jane Streby Scholarship** was first awarded in 2021 sponsored by their children: Laurie Streby Stelts, Joni Streby Rhoads, Carole Streby and Mike Streby to honor their parents who were role models in supporting the community and their children. In recognition of these exemplary lives, the Streby children are *paying it forward* so their parent’s legacy will live on forever through this endowed scholarship that will support deserving Freddie grads.

The **Lori Ackerman Class of 1988 Scholarship** first awarded in 2021, sponsored by The Class of 1988 with financial leadership from The Ackerman Family. The goal of this Scholarship is to honor the legacy of Mrs. Ackerman by offering this scholarship to a new recipient each year. Ideally, the students who receive this scholarship, much like The Class of 1988, should strive to be friends with all and work to better the community. They should be strong academic performers, while at the same time being involved in a variety of extra-curricular activities that benefit not only themselves, but also the school and the larger community. The students should be the living embodiment of the ideals to which Lori encouraged all her students to aspire.

The **Rachel A. Gregg Women in STEM Scholarship** was first awarded in 2021, the first in a series of four planned Women in STEM Scholarships sponsored by Malcolm R. Shrimplin '88. The purpose of this scholarship is to encourage young women to pursue careers in science, technology, engineering, and mathematics (STEM)-related fields. Mrs. Gregg taught STEM-related subjects for twenty-five years in the Fredericktown Schools with the goal of inspiring her students to discover their talents and to challenge them to achieve personal success to the best of their abilities.

The **FHS Distinguished Alumni Hall of Honor Scholarship** was first awarded in 2021. Sponsored by members of the Hall of Honor who appreciate the blessing of growing up in Fredericktown where the whole community was rooting for their success and keeping an eye on them, with parents often warning that everyone in Fredericktown would know if they did wrong even before they got home. Inductees hope to inspire present-day students to establish their own goals, knowing that they can start at FHS, compete equally with the best the world has to offer and accomplish great things with their lives.

The **Clyde & Edna Boyd Scholarship** will first be awarded in 2022, sponsored by their daughters Betty Boyd '56 Caroli and Lois Boyd '58 Boyce to honor the lives of their parents, Clyde & Edna Boyd, and their deep commitment to Fredericktown schools over many years. Clyde was an owner-operator school bus driver and Edna a beloved elementary teacher. The family is offering this scholarship to help FHS grads proceed toward their goals and to recognize how Fredericktown schools provided teachers who cared about students and an environment that nurtured achievement.

The **Jack & Jean Carter Family Scholarship** will first be awarded in 2022; sponsored by Jean Braddock '47 Carter and her children-Nancy '73, Tom '76, and Gary '82. "Fredericktown is a special place with special people, and we want to help build on that. The teachers and educational system at Fredericktown are excellent and have always prioritized the students first along with their individual career goals. Fredericktown may be a small town, but its people have large aspirations. We hope this scholarship will help some deserving students to follow and achieve their goals."

The **Janet Hadley '59 Mather Scholarship** will first be awarded in 2022; sponsored by her husband, Robert J. Mather and their daughters, Stacia Kaschak and Kristy Caldarella to honor a loving wife, mother and friend. Janet was an active volunteer for many programs that benefited people. Janet valued education and was instrumental in the founding of the Fredericktown High School Alumni Association's Permanent Endowment to fund scholarships for FHS graduates.

The **Ruth E. Auker Women in STEM Scholarship** will first be awarded in 2022, second in a series of four planned Women in STEM Scholarships sponsored by Malcolm R. Shrimplin '88. The purpose of this scholarship is to encourage young women to pursue careers in science, technology, engineering, and mathematics (STEM)-related fields. Mrs. Auker taught STEM-related subjects for twenty-five years in the Fredericktown Schools with the goal of equipping many of her students to achieve what have become very successful careers in STEM-related fields.
