I was extremely honored and happy to learn that I was awarded a Fredericktown High School Alumni Scholarship this year. Thank you for this financial support that will be very helpful in my educational journey.

I just completed my first year at The Ohio State University Newark, majoring in Social Work. I earned a place on the Dean's list both semesters and have also been accepted into OSU's College of Social Work Honors Program. From an early age, I knew that I wanted to help people – especially those most vulnerable in our society. I am excited to be embarking on a new summer internship with Behavioral Healthcare Partners of Central Ohio, serving Knox and Licking counties. Being exposed to agencies working together in my community as well as my one-on-one interactions with individuals continue to solidify my interest in Social Work as a career.

I plan to complete both a BSSW and MSW program at The Ohio State University and am very happy to have the option to complete all years at the Newark campus. Financing my education is definitely a challenge so I am very grateful for financial assistance like this.
